*Izhar*

The logo for 'Izhar' is a stylized graphic. The word 'Izhar' is written in a cursive script, with the 'I' and 'a' in magenta and the 'zhar' in purple. To the right of the text is a profile of a woman's face, facing left, outlined in magenta. A large, flowing 'S' shape, colored in alternating magenta and purple, curves around the profile and extends downwards. A magenta underline is positioned beneath the 'Izhar' text, starting from the 'I' and ending under the 'r'.
